NEWS and UPDATES

Now Available!

IP Network Membership Roster!

Our updated Membership Roster can be found on the IP Network website by clicking the button below. The listing is in an Excel format so that you can download it and sort it in whatever order is easiest for your office to use. We will be updating the roster on line at the beginning of each quarter. (Next updates 7/1/18, 10/1/18, 1/1/19, 4/1/19)

We appreciate you taking a moment to review your physicians' and practice information to assure we have everything correct. If you find you need to make additions/deletions/corrections, please use the "Contact Us" Section under the "About Us" Tab on the website to relay your need to speak to us. Kaitlyn Carrick, our Network Administrative Assistant, will reach back out to you to discuss your corrections, which will appear in the next update. (Please be aware that we will be posting an additional roster soon that will include each practices' numerous locations. On the current list, mostly the main office address is shown.)

Please use this listing as you consider referring your patients to other physicians and specialists to help our continued mission of preserving and protecting our independent network of physicians!
