

Chronic Care Management

Double or Triple the Net Income of Your Practice Without Adding New Patients, Without Adding Staff, and with Little or No Additional Investment...

- ✓ **Medicare CPT Code 99490** – Chronic Care Management (CCM) released in January 2015 provides a new stream of revenue of \$18* or more per patient per month. *(national net average)
- ✓ Our Compliant Software captures an electronic record of 20 minutes or more on non-face-to-face visits with your patients.
- ✓ Provide an Annual Care Plan for your patients prepared by our software.
- ✓ We provide the Software, Call Center, HIPAA Certified Medical Professionals and Detailed Electronic Files for you as a comprehensive service.
- ✓ Enjoy 24/7 electronic access to your patient files.
- ✓ We will act as an extension to your practice allowing your patients to feel more engaged and cared for.
- ✓ We ensure the strong and trusted connection between patient and doctor remains unbroken.

Capture The Revenue Sitting Out There Using Our System

A Seamless Extension of Your Practice

- No Software or Technology Fees.
- Monthly, Recurring Revenue.
- Accurate Record Keeping.
- Have never failed a Medicare Audit.
- We do all the heavy lifting for you.

Here's an example of what this can mean to your practice:

Just 500 Medicare patients enrolled can bring in an additional \$108,000* or more per year, with no added work on your part!

*Amounts vary by State

The CCM Solution

Accurate Record Keeping

- Keeping compliant with Medicare.
- Extension of your practice.

Seamless Integration

- Access real-time patient data.
- A record of every conversation.
- Secure Patient Portal provides access to data anytime.
- Over 20 minutes of non face-to-face visits with your patients.
- Schedule appointments.

Improved Medication Accuracy

- 80% of medications are reported inaccurately.
- CCM allows for honest conversation to improve patient health.

A screenshot of the RX2Live software interface. The top navigation bar includes: Dashboard, Master, Drug Schedule, Prescriptions, Messaging, Appointment, Call Log, Patient Stay, Payments, Others, Reports, Users. The main content area shows a patient profile for 'john test' with various tabs like Profile, Insurance, Drug Schedule, Appointments, Encounters, Vital Signs, Problems, Prescriptions, Allergies, Call Logs, LRI, Instructions, Procedures, Referrals, Goals, Studies, CCD, Consent Form, and Careplans. Below this is an 'Appointments' section with a date range filter (From Date: 2015-04-01, To Date: 2016-05-18) and a table of appointment records.

Sr.	Physician	Patient	Issue	Appointment	Appointment	Notes	Added By	Added On	Change	Delete	Clinical
			Date	Date	Time						Summaries
1	Alan Test	john test	01 Dec 2015	15 Feb 2016	07:30 AM	infection	admin	01 Dec 2015 10:29	Change	X	Add
2	Alan Test	john test	13 Jan 2016	10 Feb 2016	08:15 AM	Please get bloodwork done	admin	13 Jan 2016 14:43	Change	X	Add
3	Gleah Test	john test	01 Dec 2015	20 Jan 2016	08:55 AM	examination	admin	01 Dec 2015 10:29	Change	X	Edit
4	Alan Test	john test	07 Jan 2016	12 Jan 2016	11:30 AM	Come in to see how reaction to new meds are going	admin	07 Jan 2016 12:15	Change	X	Add
